

WHO WE ARE

Ontario's Experts

Providing professional services since 1992, Leaps & Bounds is renowned for having the most experienced and qualified professionals, and licensed psychologists, offering the highest quality of services and programs to individuals with autism and other related special needs.

WE OFFER

AutismPro: at home

Leaps & Bounds has been chosen as the agency to provide AutismPro software in homes throughout Ontario. We provide the specialized knowledge and support to ensure that the software meets the needs of the particular child.

This service is ideal for children functioning developmentally between 2 and 8 years of age, who have been diagnosed with autism, and are not receiving services for a variety of reasons:

- Child is on a waiting list
- Prohibitive cost of intensive services
- Services being received have not proven effective

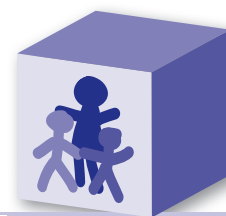

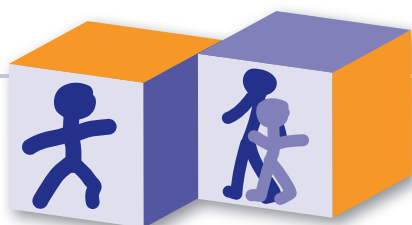

OUR SERVICE

Leaps & Bounds ensures that the maximum benefit is achieved by offering hands-on support.

- Contact Leaps & Bounds
- Sign up for a three-month agreement that includes 24/7 accessibility and up to 12 hours of support
- Complete a curriculum assessment
- Complete the initial program, set-up for your child, with a Leaps & Bounds specialist
- Receive recommended objectives and teaching strategies
- Receive recommended activities (over 5,000 activity plans are available and continually updated by expert authors)
- Once goals have been achieved, set new goals by updating the profile and developing new strategies and plans to achieve them

Service Benefits

- Create an individualized ABA program for a child
- Ongoing support by practitioners who are trained in treatment services for children with autism
- Easy to use by any support person in a child's life
- Affordable low monthly fee
